

IMPORTANT INFORMATION FOR LIBRARY PATRONS

The New Evergreen Library System Is Coming Soon!

Many libraries across Massachusetts will soon be using a new system for managing, and lending materials to the public. There will be many benefits and improvements to library service as a result of this upgrade.

Important library card rule October 1, 2011

**You Must Be Able to Provide
Your Card (or Card Number) in
Order to Borrow Materials or to
Use the Internet.**

As a result of the huge expansion of the databases and security issues, *we will no longer search for your library record by name – you must have your library card or library card number with you for every transaction.* We will not be able to make exceptions to this rule. If you do not have a card or number available, we will hold your materials until you are able to return, but you will not be able to check materials out without your library card or library card number.
